

We are all responsible for the
Safety of Children!

Please help our children be
Safe, Strong and Free by
becoming a much needed sponsor
and supporter.

We need a sponsor for
each lane to make our
fundraising goal!

With YOUR help we can do it!!

With a \$100 Investment in the
safety of our children you can be
one of our lane sponsors. You and/
or your company will be featured
through signage the day of the
event as well as mentioned in
sponsored media and/or
print advertising.

Be a part of the solution, help us
protect children and prevent
physical and sexual assault...

Safe, Strong & Free!

We believe that nothing is more important than the safety of our children!

- 1 out of every 3 girls & 1 out of every 4-6 boys is sexually assaulted at least once before the age of 18 .
- More than 95% of abused children are assaulted by someone they know & trust
- 23 Colorado children died from abuse/neglect in 2007

Children are vulnerable to assault, but they are NOT powerless to prevent it! Especially if they know what to do!!

Since 1996, this local nonprofit has provided Child Assault Prevention (CAP) and TeenCAP workshops to schools across the front range of Colorado serving more than 70,000 children in the past thirteen years.

CAP teaches skills to prevent bully assault, stranger abduction and sexual assault using a safety oriented approach which educates and empowers children. FRCAP is a community partnership involving children, parents, caregivers, and school staff...All working together to help our children remain...
